

Never forget who you are
Little star
Never forget how to dream
Butterfly

God gave a present to me
Made of flesh and bones
My life
My soul
You make my spirit whole

Never forget who you are
Little star
Shining brighter than all the stars in the sky
Never forget how to dream
Butterfly
Never forget where you came from
From love

You are a treasure to me
You are my star
You breath
New life
Into my broken heart

Never forget who you are
Little star
Never forget how to dream
Butterfly

May the angels protect you
And sadness forget you
Little star
May goodness surround you
My love I have found you
Little star
Shining bright
